

# GENERAL DYNAMICS

**Nicholas D. Chabraja**  
Chairman of the Board  
and Chief Executive Officer

General Dynamics is pleased to support *Constable's Great Landscapes: The Six-Foot Paintings*, the first major exhibition focused exclusively on his celebrated large-scale landscapes and the marvelous full-size oil sketches he prepared as an intermediate stage between his small oil studies and the final paintings.

World-renowned English artist John Constable is recognized as one of the greatest painters in British history. The works in this exhibition are drawn largely from public and private collections in the United Kingdom and the United States, and the exhibition is traveling to cities in both countries.

Through our sponsorship, with our subsidiary General Dynamics United Kingdom Limited, we celebrate the friendship and close bond between the people of the United States and the United Kingdom.

We hope that visitors to the National Gallery of Art will find pleasure in viewing this magnificent exhibition.

Sincerely,

A handwritten signature in black ink, reading "Nicholas D. Chabraja". The signature is written in a cursive style with a large, stylized 'N' and 'C'.
